

## *Nova Scotia College of Chiropractors Board Policy: Vaccination and Immunization*

*Approved by  
the Board of  
the NSCC*

*Effective May 12, 2018*

*Revised*

The Nova Scotia College of Chiropractors recognizes that vaccination and immunization are established public health practices in the prevention of infectious diseases. Vaccination is not within the scope of chiropractic practice. The appropriate sources for patient consultation and education regarding vaccination and immunization are public health authorities and health professionals with the scope of practice that includes vaccination.
