

Nova Scotia College of Chiropractors
Board Policy: Neurological & Eye Examinations

*Approved by
the Board of
the NSCC*

*Effective
March 2, 2013*

Revised

*Pages
1*

To all members of the NSCC when using an ophthalmoscope or in any evaluation of the patients' eye(s), please state the following:

"This is a Chiropractic examination involving your eye. It is evaluating issues related to your Chiropractic examination however; it does not take place of an eye health examination performed by a qualified optometrist or medical doctor."
